[LinkedIn](#) | [Portfolio](#) | [GitHub](#)

My name is Colleen Fimister and I am a Software Engineer. I am also an experienced Operations and Administrative Professional and Editor. I have a strong background in management, coaching, customer service, writing, and education. I am currently earning a certificate in Full Stack Web Development from the University of Denver Coding Boot Camp. My strengths in communication, teamwork, conflict resolution, problem-solving, and attention to detail are part of the skillset I bring to any team. I am highly driven and organized and I can be relied upon to get the job done!
